& Presents  
Presentación de Danzantes Aztecas de la  
Comunidad

Y Regalos

---

# The traditional Piñata

The traditional piñata has 7 peaks, and these peaks represent the deadly sins. When you break the piñata you have destroyed the devil.

La piñata tradicional tenía 7 picos, y estos representan los pecados capitales. Al romperse la piñata significa que se vencieron los pecados con fe ciega, y el demonio fue destruido.
