Welcome New Neighbors

With so many neighbors leaving and new ones moving in this year, it's time to have a get together to meet each other. Everybody is welcome to come to my house Tuesday, where we will have a Christmas Party!

Our Neighborhood Association

Our neighborhood is the Concord Park subdivision built in 1950. Our Neighborhood Association was formed in 1998 in partnership with the City of Concord. Together, we discuss neighborhood quality of life issues. As a benefit of the partnership, the City supplies dumpsters for the annual Clean Up day.

Our Neighborhood Association has accomplished much. We've had a website since 2001, had an annual Block Party since 2002, and had the City construct sidewalks on Detroit Avenue in 2002 and 2004. We've trained for the Community Emergency Response Team in 2006. Also, we have the distinction of achieving "Graduated Partnership" status and being awarded a stipend. This Tuesday, let's celebrate the 12th year of our association making this a good neighborhood!

Good Bye Old Neighbors

Our long time neighbor Pat Taylor is moving away. Pat lived here for 40 years with her husband Gary and two children. She has played many community leadership roles: Campfire Girls leader, CERT Working Committee member, Block Party coordinator, Youth Art Show coordinator, and every year served as a Neighborhood Association Board Member. Along with our other old neighbors Elton and Anna, we will miss their support for our association.
