What is a Neighborhood?

It's not just a bunch of houses - it is people, and its people make it a good neighborhood. We need people to serve as neighborhood association board members to keep this a good neighborhood.

We need more people to serve because our long time board member Pat Taylor is moving away. Pat lived here for 40 years with her husband Gary and two children. She has played many community leadership roles: Campfire Girls leader, CERT Working Committee member, Block Party coordinator and Youth Art Show coordinator. We are losing a big part of our good neighborhood.

At our November meeting, our neighborhood association is recruiting new members for its Board of Directors. Any neighbor willing to volunteer is eligible for nomination to be the next Chair, Vice Chair, Secretary, Treasurer or an Area Representative. We need **you** to keep our association going and to keep our partnership with the City. Without our neighborhood association, we would lose the many benefits of the partnership. We would lose Dumpster Day and the working relationship with the City in problem solving.

And thanks to all the other current and former board members. We need more people like them to help make this a good neighborhood.

Halloween Safety

This coming Sunday is Halloween. Let's watch out for kids and **slow down** when driving the streets. Goblins, Witches, Ghosts and other characters will be roaming and running about!
