

Todd, Lynn & Cross Way News

Block Party on August 3rd

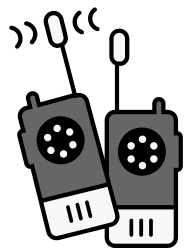

The National Night Out block party was a great success. Thanks to all our neighbors who attended or volunteered. Special thanks to Emmy and Michele for the last-minute table decorations.

Our special guests were from the Monument Community Partnership. This year's theme was "Building a Healthier Community". Our guests presented some of their programs that work toward this goal. A healthy community includes our concerns for crime and safety that National Night Out is all about. The photo shows the exhibit by the NEW Kids Program of Contra Costa Health Services. Please see our website www.concord-park.org for more photos and information.

Lost and Found

I have some items from the potluck. Please call Dave at 689-0605 if the bowl or potholder is yours.
